

Dear Families,

As part of our Outwood Diploma award, the children in Year 3 children are participating in 'The Big Clean up!' campaign to make a positive contribution to our community and help them to understand how to be responsible and respectful to our environment. Throughout the week commencing the 3rd of February, each class will be participating in activities in our local area including a visit to Central park.

These activities will take place during the school day therefore the children will have lunch at school as normal. We will be walking to Central Park so please ensure your child had a warm, waterproof coat and sensible school shoes along with their usual school uniform everyday so that they are fully prepared.

The local visits consent form previously signed for your child provides them with parental permission to participate in this activity.

Many thanks for your continued support.

Mrs J Wood

Assistant Principal / Year 3 Class Teacher
