

Year 3 Road Safety

Dear Families,

As part of our Outwood Diploma project for this half term, we are becoming 'Road Safety Heroes'! We will be completing a Pedestrian safety program in school to teach us how to use the Green Cross Code and keep ourselves safe in our local community. As part of the program, we will be completing a practical session on Tuesday 7th and 14th November 2023. This will involve us using the local roads near to our school to put into practice our knowledge and skills. Your local visits consent form provides your child with permission to participate in this valuable challenge.

Please ensure your child has a warm waterproof coat for school that day so that we are prepared for the winter weather. If the forecast is particularly wet, a change of shoes may also be advisable.

We will soon be sending home Road Safety booklets and workbooks with your child, which we will make a start on in class. As some additional homework, please encourage your child to complete the remaining tasks. However, if you have any questions regarding these please do not hesitate to get in touch so we can discuss these with you. Thank you for your support.

Kindest regards

Mrs Tamara Nicholson

Assistant Principal
