

Our Ref:

6th October 2020

Dear Parents/Carers of Year 5/6 children,

Outwood Academy Brumby: Year 5/6 Virtual Open Evening

We would like to offer you the opportunity to see Outwood Academy Brumby and find out more about us before making a final decision on your choice of secondary school. We invite you and your child to visit us for our virtual open evening online.

Outwood Academy Brumby had outstanding results the summer of 2019, our last examination year. Over 70% of students achieved the new government measure of combined English and Mathematics at grade 4 plus. Perhaps even more significantly, over half achieved a grade 5 or above in both English and Mathematics. These results put us in the very top schools in Scunthorpe.

The Virtual Open Evening will provide the opportunity to see all departments of the Academy and view the huge range of extra-curricular opportunities we provide to students. We pride ourselves on our exciting learning climate; we are keen to share with you.

You can access the Virtual Open Evening via this link:

<http://sites.google.com/brumby.outwood.com/open-evening> or you can scan the QR code at the bottom of this letter.

If you require any further information please contact us at enquiries@brumby.outwood.com.

Yours faithfully,

Mrs Angela Hull
Lead Principal
