

Dear Families,

Following our Aspirations Academy fayre, we are offering some exciting workshops to inspire our children and teach them about different jobs and roles that they could aspire to. The Aspirations Academy workshops will take place after school starting at 3pm for approximately 45 mins to 1 hour. Parents are invited to come along with their child after school to participate in a range of fun activities to find out about the roles and daily activities of different jobs and areas of employment through our amazing partnerships with local businesses and services. All workshops are completely free!

We are delighted to offer the following workshops:

- **Workshop 1 - Scientists fun!** - Thursday 16th March
- **Workshop 2 - Railway Designers** - with Volker Rail on Wednesday 22nd March
- **Workshop 3 - Caring and sharing!** - by Social Care professionals who will explore nursing, community services like outdoor landscape gardening, caring for children and people on Thursday 20th April
- **Workshop 4 - The Great Brumby Bake off!** - with Short and Sweet Bakes on Thursday 27th April
- **Workshop 5 - Cook and Create Catering! with Uppercrust Catering** on Thursday 4th May
- **Workshop 6 - Become a business!** exploring how to start your own business on Thursday 11th May

If you would like to book a place please complete the booking form below. Please feel free to choose more than one workshop as depending on numbers we may have additional places available.

Many Thanks
Mrs Wood
Associate Vice Principal / Family Hub lead
