

Wednesday 8th June 2022

Dear Families,

Year 3 Superhero Day Celebration

Our topic for this half term is based on 'Heroes and Superheroes' so we would like to celebrate the children's achievements with a special Superhero day towards the end of the term on Friday 15th July. This will be a day where we can share home learning projects and in school achievements around this topic as well as take part in some celebratory 'Superhero' themed activities.

We thought it would add to the fun to dress up as their favourite hero for the day – this could be any character or person that they admire and feel is their hero and does not necessarily need to be a superhero costume. Dressing up is of course optional and we understand that not all children like to do so.

We feel that this day will be the perfect way to showcase and celebrate together. Thank you for your continued support and we look forward to sharing our photos from the day on our class Twitter pages.

Kindest regards

Miss Fowler and the Year 3 Team
