

Dear Families,

National Anti-bullying Week is being held from Monday 14th November to the 18th November and we will be supporting the National campaign by the Anti-Bullying Alliance by taking part in 'Wear Odd Socks day' on Monday 14<sup>th</sup> November.

Last year, this was so successful raising awareness and celebrating differences and this year we hope to achieve even more! We will be launching a competition to design a logo or slogan to promote anti bullying so get creative! Prizes will be awarded for the winning design.

It is so important that we understand the true meaning of bullying as often the term 'bullying' can be used to describe isolated incidents or situations, however 'Bullying' is defined by the Anti-Bullying Alliance as: **repeated behaviour** which is intended to hurt someone either emotionally or physically. Bullying can take many forms including: physical assault, teasing, making threats, name calling and cyber bullying therefore it is vital that we raise awareness and ensure our children understand **what bullying actually is** and how to deal with situations effectively. In class, we will be learning about bullying and what to do if you are or know of someone who is being bullied.

There are a range of useful websites that provide practical advice and support for parents who have concerns surrounding issues relating to bullying:

Many thanks for your continued support,
