

Dear Families,

As part of our Outwood Diploma project for this half term we are becoming 'Road Safety Heroes'! We have been completing a Pedestrian safety program in school to teach us how to use the Green Cross Code and keep ourselves safe in our local community. As part of the program we will be completing a practical session. This will involve us using the local roads near to our school to put into practice our knowledge and skills. Your local visits consent form provides your child with permission to participate in this valuable challenge. Please ensure your child has a warm waterproof coat each day for school so that we are prepared for the winter weather.

Please discuss the Road safety booklets and workbooks with your child in preparation for their training. However, if you have any questions regarding the challenge, please do not hesitate to get in touch so we can discuss these with you. Thank you for your support.

Yours Sincerely

Mrs J Wood

Assistant Principal / Year 3 teacher
