

Dear Parents/Carers,

As part of our science topic on Earth and Space, we have arranged for 'The Lab Rascals' and their portable Planetarium to visit Year 5 next half term. This event will take place in school: each class will take part in a Planetarium show where they will be taken on a journey through our solar system. The children will visit the sun and every planet, learning key facts about the planets and their moons.

We kindly ask for a voluntary contribution of £4.30 towards the cost of the event by Wednesday 28th June. This will be set up via ParentPay. **Please do NOT send cash. It is important for us to stress that in the event of an inadequate number of parental contributions it will not be possible for the event to take place and it will be cancelled.**

Yours Sincerely,

Miss L Pike  
Year 5 Phase Leader
