

Dear families,

Twitter accounts are now up and running for this academic year. Details of these accounts should be in your child's planner but if you haven't yet followed your child's class on twitter, below are the user names you will need to do so! If you were following your child's class last year, you will now be following their new class as we have simply changed the usernames so you do not need to do anything else.

I urge every parent to sign up and follow so that you can have a real insight into what is happening in your child's class on a daily basis. Knowing what they've been doing can really help us here in school.

Year 3

Year 3 parents (and any parents who are new to the academy or have not yet followed their child's class twitter) please send your child with your username on the slip below (e.g. @example1) so their class teacher can verify your identity and ensure only parents of children in that class can follow the account. Once the class teacher has received the form below and has verified that you are a parent of a child in that class, you will then have access to the tweets, images and videos that they post.

You can also follow the school account @OJA_Brumby

Thank you for your continued support,

M Vickers

For verification purposes, please fill in your username and return to your child's class teacher:
