

Dear Families,

Our topic for this half term has been based on 'Heroes and Superheroes' so we would like to celebrate the children's achievements with a special Superhero day at the end of the term on Wednesday 21st July. We will be preparing for this by making masks and completing all of our projects to share on the day. We are so proud of the children's achievements and feel that this would be the perfect way to showcase and celebrate together.

We thought it would add to the fun to dress up as their favourite hero for the day – this could be any character or person that they admire and feel is their hero and does not necessarily need to be a just a superhero costume. Dressing up is of course optional and we understand that not all children like to do so.

Thank you for your continued support and we look forward to sharing our photos from the day on our class Twitter pages.

Kindest regards

Mrs Jessica Wood

Assistant Principal / Year 3 Lead
