As you may see, we have a number of new teachers from September 2021. First of all, we have Mrs Hodder who is retiring at the end of this academic year. She has been a brilliant member of staff since she joined us in 2016 and she will be missed. I'm sure you will join me in thanking her for her 27 years of service to the profession and in wishing her a happy retirement.

We also have Miss Lane and Mr Martin both moving on to new adventures outside of the Trust. We wish them both well in their new roles and thank them for their dedicated service to Brumby. A special thank you to Miss Lane for the impact she has had on our Special Educational Needs and Mental Health provision in school. Mrs Whitworth will become our new Special Educational Needs and Disabilities Coordinator and she will work alongside Miss Pether an experienced SENDCo from within the Trust.

We also have Mrs Wood becoming a non-classed based teacher from September 2021 as she starts her new role as Acting Vice Principal to cover Mrs Barley.

And finally, we also have four maternity leaves. Again, I'm sure you will join me in wishing Mrs Tait, Miss Raspin, Miss Sellars and Miss Jollands all the best with their precious time with their new or growing families.

Under normal circumstances, we would have a transition day where your child would visit their new class to work with their new teacher. Unfortunately, due to the government guidance on how schools need to operate at this time, this will not be possible. Any current staff will have virtual transition with the children so that we do not compromise our 'bubbles'. Any new staff to the school will visit and be able to have some face to face transition time with their new class.

As we receive confirmation and further government guidance for September 2021, we will communicate our plans around the school day with you as soon as we can. For the remainder of this academic year, our staggered start and end times will remain in place.

With very best regards,
Matthew Vickers
Principal
