

Dear Families,

As part of our school parliament work, we are wanting to improve and create new areas in our school. The first area that we propose to create is a school sensory and reading garden. This will enable children to have a relaxing, quiet outdoor space to read and immerse themselves in nature.

The school parliament would love to involve the whole school in developing the sensory and reading garden, so we are going to be launching a competition to design this area. The winner will see their creation come to life throughout the year.

To enter, you need to complete the form on the other side of this letter and return to school by Wednesday 22nd February.

Here are some ideas to help you get started:

Many thanks for your continued support and good luck.

Mrs Bagley and Mrs Moore

School Parliament Leaders

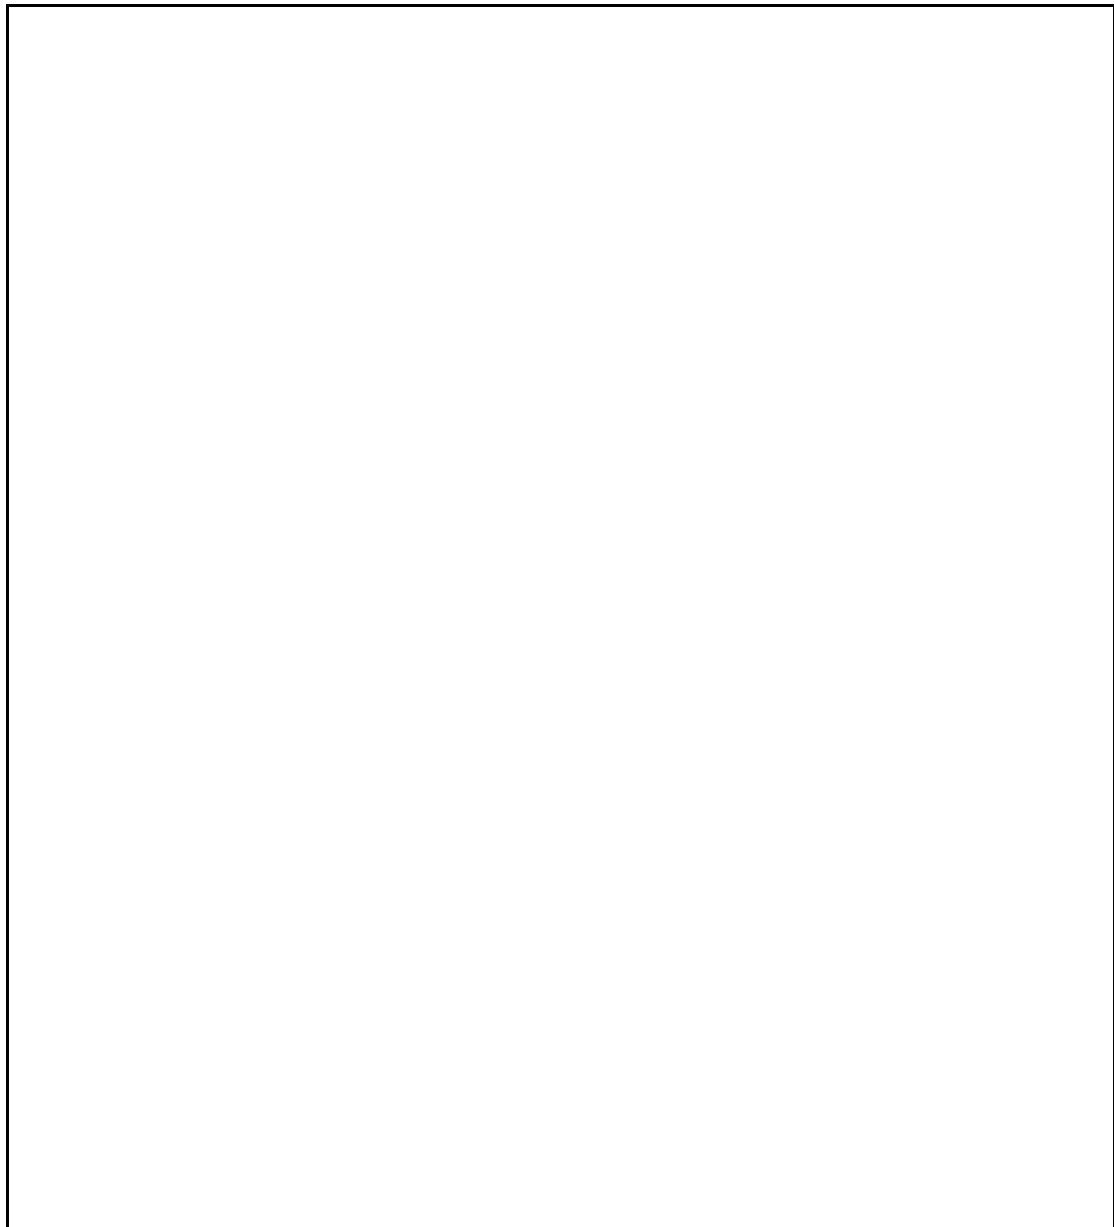

Name \_\_\_\_\_

Year Group \_\_\_\_\_

Class \_\_\_\_\_

Requirements: Your garden must have some seating and must include some plants. There must be an area which will appeal to all 5 senses (sound, sight, texture, smell, taste).

My Design

A large, empty rectangular box with a black border, intended for a student to draw their garden design. The box is positioned below the 'My Design' label and occupies most of the lower half of the page.
