

Dear Families,

As you are aware, our School Parliament is committed to fundraising and helping those people who are in need in our local community. We have arranged to work alongside Dunelm, who have partnered with local schools, care homes and refuges to spread some festive cheer.

If you would like to help out with this, all you need to do is pop into the office with your child (an adult **must** be with the child) and collect a gift tag. It will say who the gift is for, what the person would like and what date it needs to be back in school by. There are a few options on the gift tag but you only need to buy at least one thing on the tag. The item must be new and must be wrapped up with the tag attached to the present. All donations will then need to be brought to the office, where they will then get taken to Dunelm.

Many thanks for your continued support,

Mrs Bagley

School Parliament Lead
